

I-5 Northbound

I-5 North to Exit 164B, Edgar Martinez Way (previous 4th Ave S exit)

Take first right, turning west on to Edgar Martinez Way/Atlantic Street

Take first right, turning north on to 1st Ave

Take first right, turning east on to Royal Brougham

Proceed up ramp to Qwest Field parking garage, entrance will be to the left at the top of ramp.

I-5 Southbound

I-5 South to Exit 164, Dearborn, 4th Ave S, Airport Way exit

Take the exit to 4th Ave South on your right.

Stay to the right as the ramp winds down to the surface street.

Take the first right, turning south on 4th Ave

Take the first right, turning west on to Royal Brougham.

(Royal Brougham looks different at this location because the train tracks are permanently blocked to vehicle traffic, follow new ramp)

Turn left at the 3-Way Stop, continuing the turn up the ramp.

Qwest Field Garage entrance will be at the top of the ramp on your right.

I-90 Westbound guests can take either route to the parking garage once they are on the surface streets (around Safeco Field on 1st Ave, or 4th Ave to Royal Brougham).

Access to and from highway 99 should be the same routes, but I am still trying to find some more information about the exact dates of the ramp demolition. WSDOT's website still shows the work happening in the first quarter of 2011, but not specific dates yet. I will keep a look out for any more information. WSDOT has a simulation of the work and timeline available at <http://wsdot.wa.gov/projects/viaduct/simulations/>
